

Summer 2019

Welcome to a great Summer at Vermont Hills Family Life Center.

Below is a list and sampling of our weekly themes and daily schedule. Join us for an adventure of FUN!

Weekly Themes		
June 13-14	Wacky and Wonderful	Let's celebrate the first three days out of school with Wacky fun activities. With Dr. Seuss book <i>Wacky Wednesday</i> , we will explore backwards, upside down and inside out mixed up days. Wear your shirt backwards on the first day - Thursday
June 17-21	Myths, Mermaids and More	Learn about Earth's curious phenomenon's and myths. We will look at mermaids, big foot as well as trolls & fairies. Then we will take a peek into their fantastical world.
June 24-28	Deep Sea	Dive down deep into a world of blue. Campers will find out how a divers tanks work, why boats float and what mammals rule the sea. They will leave wishing they lived in a yellow submarine and have command of the ocean.
July 1-3 & 5	All American Week	Take a tour of some of America's greatest treasures by exploring the National Parks. Yellowstone, Crater Lake, Grand Canyon & Everglades National Park featuring amazing natural wonders. This exploration will bring kids to an appreciation of our Parks.
July 8-12	Superhero's	Campers will unlock their own super powers this week. We will explore and make villain masks, kryptonite slime, banners of the hero's and games that inspire the legends. Join our Superhero's as the persona about their true nature comes to life.
July 15-19	Pop Culture	During Pop Culture we will adventure into Pokémon, Legos, How to Train your Dragon, Lion King & more Harry Potter. We will create and build with crafts and games and venture into the amazing world of these fun themes.
July 22-26	Super Spy	Taking a page out of Carmen San Diego's book, these campers will be heading to spy school. Honing their stealth skills, creating secret messages and creating a world of adventure – off we go.
July 29-1	Rock On Musical Encounters	Kids will tap into their hidden rock star talent this week. From Karaoke to learning how to write music and dance, they will find their true star potential.
August 5-9	Can you Dig it?	If you think dirt is boring, think again! From dinosaurs, to excavation and then to engineering marvels, your kids will be getting dirty becoming a scientist of the real earth.
August 12-16	Travel- Bon Voyage	Explore new places on the other side of the world with this adventurous week. Campers will travel the globe while doing international crafts, games, songs and more.
August 19-23	Flight	Take off for one last week of flight before school starts. We will go soaring through the air with winged and wind powered machines. End the summer on an upward blast!
